UNOPPOSED MOTION TO DISMISS REVOCATION PETITION

Comes now the United States of America, by and through Leura G. Canary, United States Attorney for the Middle District of Alabama, and moves this Court to dismiss without prejudice the revocation petition filed against the defendant on March 11, 2008 (docket #44). In support of its Motion, the Government avers that, based upon the information currently available – including all of the exhibits attached to the Defendant’s Expedited Unopposed Motion to Dismiss the Petition for Revocation of Supervised Release (docket #65) – there is insufficient evidence to support the Petition. The Government requests that the dismissal be without prejudice to a subsequent petition, should any new evidence come to light. The United States Probation Office and the Office of the Federal Public Defender do not oppose this Motion.

Respectfully submitted this the 11th day of April, 2008.

UNITED STATES ATTORNEY
